Direction (Q. No. 78 to 80) Read the passage carefully and answer the questions mentioned below:

I would say with those who says 'God is Love' but deep down in me I used to say that though God will be Love, God is Truth –above all. If it is possible for the human tongue to give the fullest description of God, I have come to the conclusion that for myself, God is Truth. But two years ago I went to a step further and said that Truth is God. I never found a double meaning in connection with Truth , and even atheists had not demurred to the necessity or power of Truth but in their passion for discovering Truth , the atheists have not hesitated to deny the very existence of God from there own point of view rightly. And it was because of this reasoning that I saw rather than say that God is Truth, I should say that 'Truth is God'.
