

CREATIVE CAREERS

ACTOR

Actors communicate characters and situations to an audience through dialogue, body language and actions. They typically interpret the work of a writer under the instruction and support of a director.

DANCER

Dancers use movement to interpret music, tell stories and express emotion, often under the guidance of a choreographer. You might dance in front of live audiences or in recorded performances for TV, film or music videos

MUSICAL THEATER PERFORMER

Musical theater performers are generally 'triple treats' – skilled in singing, dancing and acting. This can be a demanding career, with eight shows a week being the norm, and competition for roles is fierce.

FILM-MAKER

A filmmaker is a storyteller, a visionary. The film-maker has to be adept at not only envisioning how a story will be expressed but also take care of the day-to-day activities that go into making a film.

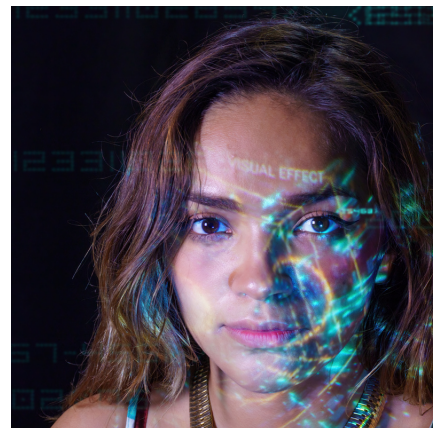

VISUAL EFFECTS ARTIST

VFX artists create photoreal, digitally-generated imagery. The role requires the seamless integration of these effects into live action in feature films, television and, increasingly, online and console gaming.

FILM CRITIC

A movie critic is a person who views and analyzes the various elements of a film, like character and plot development, performance, cinematography, directing, editing, and writing.

➤ **DJ**

DJs typically perform for a live audience in a nightclub or dance club or a TV, radio broadcast audience, or an online radio audience. DJs also create mixes, remixes and tracks that are recorded for later sale and distribution.

➤ **THEATER DIRECTOR**

Theater directors bring scripts to life on the stage, working closely with everyone involved to create a show that connects with the audience. They're in charge of the practical and creative interpretation of a dramatic script or musical score and are involved in the whole process from start to finish.

➤ **SCREENWRITER/
SCRIPTWRITER**

If you have a passion for creating scripts, and a strong interest in digital media, this career could be for you. You'll use your imagination to create engaging stories for a range of formats, from films to television and even computer games.

SCREENWRITING

ARTS ADMINISTRATOR

Arts administrators organize arts activities and services and ensure they are successful. They work for various organizations such as theaters or museums.

BROADCASTING PRESENTER/RJ
